Base Bid: \$498,000.00

The undersigned proposes to furnish all materials and necessary equipment and perform all labor necessary to complete the following work, as it relates to the drawings listed above:

1. The scope of this proposal involves supplying and installing the electrical, per the above listed drawings. The fixture package utilized is subject to approval, it will satisfy both the intent and aesthetic quality of the design. The gear is figured with an aluminum bus (series rated where applicable), general duty on disconnects and the feeder conductors are aluminum and sized per NEC code requirements. MC cable is utilized per NEC code, relative to both homeruns and branch feeds. System raceway is limited to conduit stub-up's, rigid PVC is figured for stub-up's out of floor... Turn-key fire alarm is included, concrete pad for transformer will be installed and temporary power is figured also (limited to saw service pole and trailer hookup – monthly power fee by others)... Utility TV and Phone conduit stubs are provided 10' out from the building underground, they turn up within the building at electrical room.
2. Excluded from this proposal are the following:
 - Repair or replacement of flooring (carpet, tile, hardwoods, linoleum, laminate, etc...), ceiling tile, ceiling grid, sheetrock, wall covering (vinyl, wallpaper, etc...), decking and veneer. Underground and/or overhead utilities. Access doors.
 - Live electrical work (appropriate shut downs will be scheduled, if needed).
 - Re-lamping or replacing ballasts or cleaning existing fixtures.
 - Concrete, encasement, compaction, tamping, landscaping, (re-seeding, straw, etc...)
 - Low voltage equipment/systems (security, A/V, phone/data, TV, etc...).
 - Any warranty given or implied on any product, supplied, furnished or installed by others to project.
 - All fireproofing, cutting (i.e. pavement, concrete, etc...), patching, rock excavation, roof penetrations, and painting. Permit (covered by GC blanket permit).

Respectfully submitted,
